Re: Modifications to Recent Operational Determinations

Dear Governor's Chief of Staff:

On behalf of LUMA Energy, LLC and LUMA Energy ServCo, LLC ("LUMA") we hereby inform you that, effective October 14, 2025, the after-hours event response criteria for On Call Crew activations outlined in our October 7, 2025, letter to the Puerto Rico Public-Private Partnership Authority ("P3A") are no longer in effect and the previously in effect criteria currently apply.

We've made this determination with the hope and expectation that in the next ninety (90) days we can collaborate on a comprehensive effort to identify tangible solutions to the many challenges currently faced by the Puerto Rico Energy System, including the chronic underfunding that led to the measures outlined in our October 7, 2025, letter. We share your commitment to serving the people of Puerto Rico and look forward to a long-term partnership with the Government of Puerto Rico.

Sincerely,

Juan D. Saca
President and Chief Executive Officer
